SEXY SAINTS!

Because of the rebellion and disobedience of man, sin got into the world, for which man lost the blessings of Paradise and started living in guilt & bondage.

But Paradise and its blessings are reopened to us by the love and obedience of Jesus. That's what His Grace and Salvation has done for those who believe in Him.

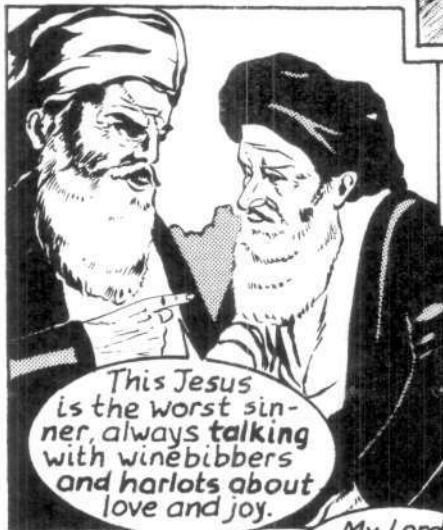

Then, like back in Paradise, we're able to enjoy all God's original blessings given to mankind. "All things are clean for the clean," (Tit 1:15--We are cleansed by the blood of Jesus) and that includes sex too.

There is nothing dirty about sex or nudity. In fact, God created man and woman naked, and He created sex for their pleasure and procreation. To have sex was indeed God's first commandment to men. (Gen. 1:28)

But people who are still living under the old laws, like many religious people, without partaking fully of the love and the Grace of Jesus, are claiming that nudity and sex are bad, and giving the credit to the Devil instead of to God who created it. So, most of the people grow up with this complex of guilt for doing things that are natural and that God intended for us to do.

Every kind of sexual relation is dirty in itself! Avoid such a sin!

This Jesus is the worst sinner, always talking with winebibbers and harlots about love and joy.

In fact, those people seem to think that any kind of pleasure is sin, making God the worst sinner of all, because it's very clear in His Word that He made everything for His own pleasure. (Rev. 4:11).

Rejoice in your Father's creation as He does, and be happy!

My Lord!
The priest is a sex pervert!?

Yech!

Most of those people who hypocritically pretend not to enjoy pleasure and sex, become totally corrupted, even sexually insane and perverted, because they are defying God's laws for a natural and healthy way of life... So they get misled by their own hypocrisy and often become a worse example of what they are preaching.

Are you sure, boys?

He's dressed like a woman.

That is the man who is always bothering me, Mom!

If sex and nudity are wrong and sinful, why did God make it so pleasant? That's a lie of the Devil, who tries to get the credit for sex and uses the beautiful creations of God for his evil purposes! Don't be deceived by his dirty propaganda. Sex is not unclean in itself at all!

Get out of here, liar!

I made sex! Work for me and I will make you rich!

Of course, we won't let the Devil or any one else rob us of the blessings and pleasures that God made for our happiness! We are now back in God's Kingdom of Love in our hearts and souls, which are cleansed by His Blood. And we are now able to use sex and nudity to praise and glorify our Creator, like we do with every thing else.

Don't you feel freer after knowing the Truth and overcoming these lies?

Yes! I feel like I'm all clean inside!

We are the true saints! That's what saint means: cleansed! We are not perfect, no one is. But we are clean in heart and have the right to enjoy in love both sex and nudity, as well as all of life's pleasures that God made for us. We are not ashamed of being sexy: THE SEXY SAINTS!

In fact, to enjoy sex and life in all its fullness and glory, you have to belong to God. Then you know it's not sin, and that you can enjoy it to the full!

That's what Jesus has done for us!

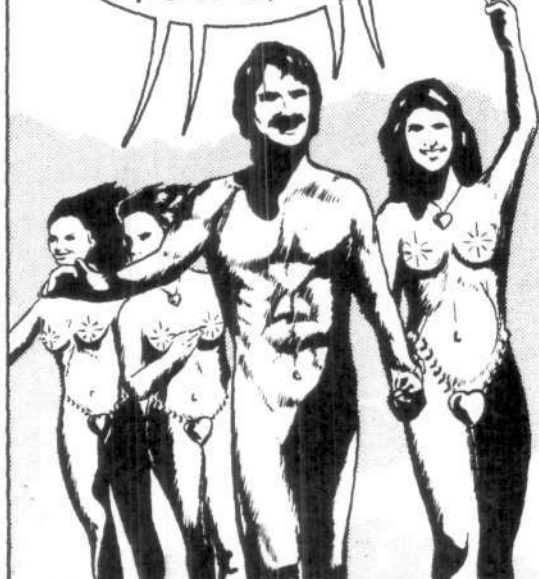

Honey, I've never enjoyed all the beauty of Creation as much as I do now!

Thank God!

Now I have the right to enjoy sex to the full!

Get free from the misconceptions and inhibitions of human tradition, and let's glorify God in every-pleasure!
