"THOU SHALT HAVE SEX!"

-Genesis 1:28! --ILLUSTRATED BY JACOB SAILOR.

"The first commandment in the Bible was not the Ten Commandments! The first commandment in the Bible is "Thou shalt have sex!" In the very first book, first chapter, 28th verse, it says "be fruitful and multiply and replenish the Earth" -- in other words, "Thou shalt have sex!"
-Amen! Hallelujah!
-Thank God for sex!

EDITED BY APOLLOS.

So we don't think that sex is a sin or that nudity is a sin, or something wrong, because that's the way God made man and woman to begin with: He made the most beautiful perfect man that ever lived. Then He made the most beautiful woman that ever lived. -- His crowning creation was a beautiful woman, God's gift of Love to man. And then He told them to,

**GOTO IT
KIDS!
HAVE FUN!**

Well, He may not have exactly said, "Go to it, kids... Have fun!" which I'm sure they did right away as soon as they saw each other. -- But He did say, "Be fruitful and multiply!" -- And they couldn't possibly do that without sex, right?

So sex was the first commandment, and to have sex was the first obedience to God's commandments!
It's all right there in this book called the Holy Bible!

So the reason that we're such a sexy religion is we believe in the Bible, we believe God created man and woman and sex, "male and female created He them, and they two shall become one flesh." that's one purpose God made your bodies for, to produce human beings, immortal souls for the Kingdom of God!

Sex is no sin, and you can enjoy it to the full, because it's God-made, God-created and intended for you to enjoy!
-And have beautiful children for God's glory forever!

And there's only one thing better and that's spiritual sex, intercourse with God Himself in the Spirit, being married to Jesus Christ as His Bride.

You don't know what thrills are until you have had a spiritual orgasm of the Spirit, an explosion in the Spirit by being possessed with the Holy Spirit of God! To become married to Jesus as His Bride!

-To know what union with Him in the Spirit is like, is the greatest of all thrills, far surpassing physical sexual thrills! It's the greatest of all satisfactions, satisfying every need of the heart, the soul, the spirit, the mind, as well as the body.

The thrill of your dreams is in Jesus, and in God's precious loving motherly Holy Spirit that He has provided for every one to be satisfied and fulfilled! -- Not only physical, which is wonderful, but spiritually, the greatest hunger, the greatest drive, the greatest need of all. -- Divine sex with God Himself!

-- Receive Jesus today for complete fulfillment, physical and spiritual satisfaction, here, now and forever! -- Hallelujah!

- HAVE SEX WITH GOD! - MARRY JESUS TODAY! - FOREVER!
