# GETTING ORGANIZED!

One of the smartest things any of us can do is to sit down and decide what we can do and what we can't do! What is your calling and job, and what is not? If you try to do everything yourself, you won't be able to put your whole heart into your most important job -- The job God wants you to do! This is what the devil is always trying to do -- Get us so busy doing other things that we don't have time to do God's thing!

--Illustrated by Bart of Dh.

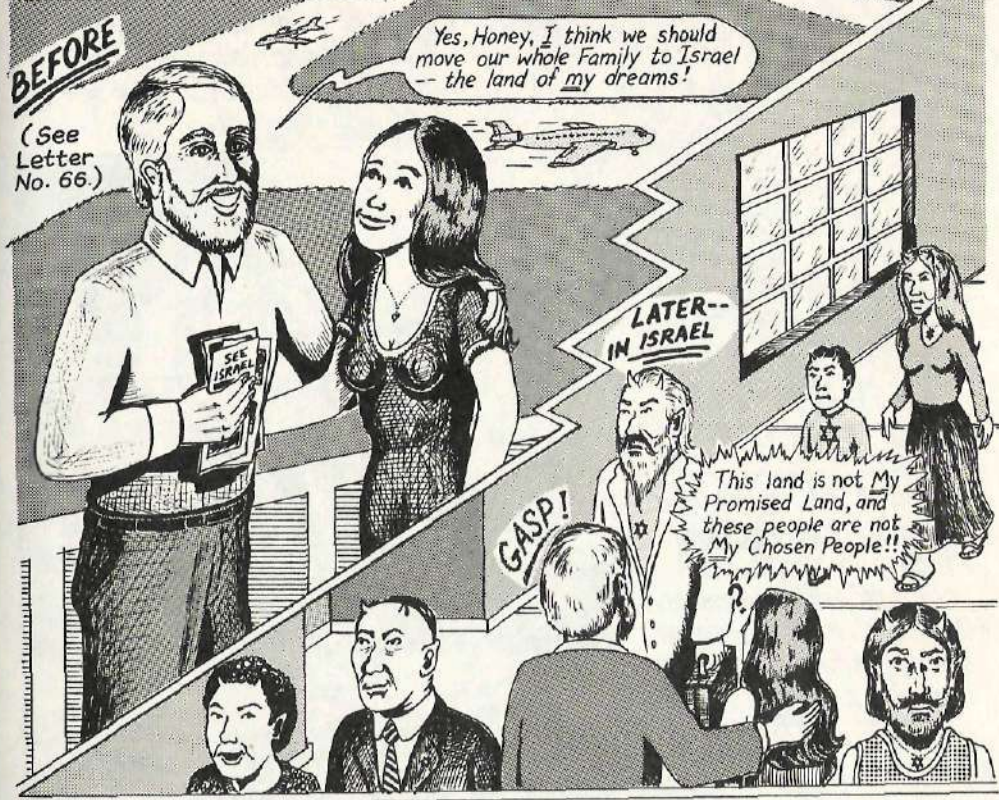

If you want to do what God wants you to do and accomplish what only you can do, you are going to have to recognize your limitations! You are going to have to die to self and forsake some of the things you want to do, and just say, "Lord, I'm going to have to leave that up to someone else in order to do the things You want me to do!"

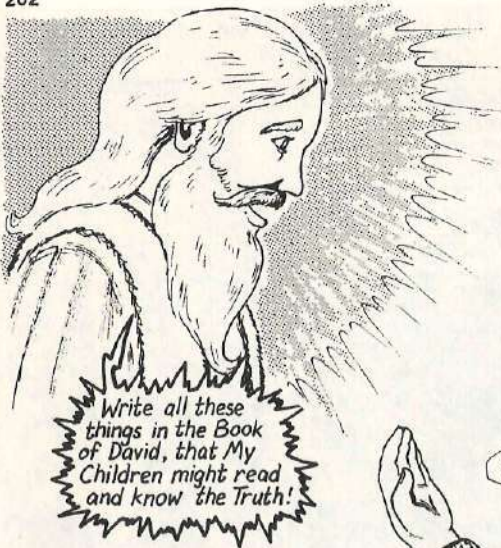

And that takes humility of the kind that only God can give, because the flesh is not willing to do that! The flesh likes to think of itself as all-powerful, all-knowing, all-seeing, and that it can do it all!

You're going to have to learn the lesson that everyone has to learn sooner or later. I learned it when I went to Israel:

You'll have to learn that you're never going to accomplish as much for the Lord if you keep trying to do it in the energy of the flesh and all yourself instead of sitting down, like I did, and saying,

*But when you do this, and you cry unto the Lord in this time of trial, in this time of Gethsemane, followed by this crucifixion (death to your self), God will answer!...*

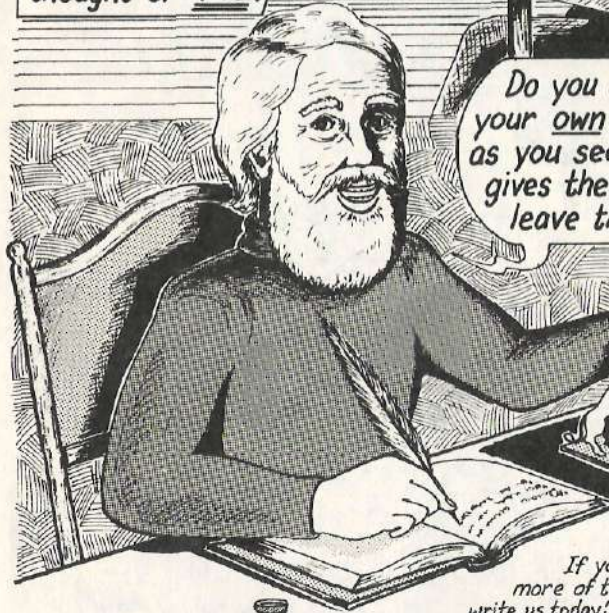

*Write all these things in the Book of David, that My Children might read and know the Truth!*

*Amen, Lord!*  
*Book!?!?*

*... And it will result in a glorious resurrection which can surpass all your wildest dreams and is mightier and greater than anything you ever thought of! PTL!*

*Do you do God's Will?--Or your own will? God will bless you as you seek and obey Him! He gives the very best to those who leave the choices up to Him!*
