# Taurug!

## -THE GUANCHE CHIEFTAIN!

(David sings in the Spirit.)

"O ca va, O ta va, O ta va ta la ca va.  
O ta va, O ta va, O ta va la ca ca va.  
O ta la, O ta va, O ta ta la va ca va.  
O ta va, O ta va, O ta va a ba la ca va."

Maria asks: "What song is that?"

I sang it for him, because he needs it. I prayed for his soul.

Maria asks: "But what's his name?"

His name is Taurug! He never heard about Jesus until I told him, but now he knows!

He lived in Tenerife hundreds and hundreds and hundreds of years ago. They called it Teide then, and Taurug was the head chief

of the whole island. He didn't know Jesus yet, but God helped him to be a good ruler over his people. He ruled with the wisdom of God.

The people loved Taurug so much! He had so many wives and so many children, and they all loved him so much!

Taurug fought with the people that came from the other countries. He fought all naked with a spear, and he defeated them!

Until finally those horrible bad Northern Africans came and killed him.

But Taurug still had a lot of children left in Tenerife and his spirit is still there. Remember when we were in that bar in Orotava? Taurug and all his wives were moaning for their children in Tenerife. Their voices cried to me asking me to please save their children.

Taurug is praying for all his children in Tenerife, and I prayed for them. Jesus sent me to love and help save Taurug's children. Jesus loves them so much!

Oh God! Please save them! They need Jesus!

Taurug's children are still being saved everyday, so many of them! They're going to be like the disciples in the Bible, because they are so wonderful and strong in the Spirit!

And Taurug is still up there! His spirit is still living up there in the volcano!

And someday Taurug is finally going to blow his top! He's going to go BOOM! -and open up the volcano and let the fire out, and with a whole river of fire destroy all the enemies of love!

(Teide is nearly 10,000 feet high!  
-over 3,000 meters!)

**BOOM!**

And when the big volcano explodes I'm going to stand on top of the mountain and raise my staff and tell the people to come and not be afraid - if they'll just pray, Jesus will save them. Isn't that wonderful? All Jesus' people are going to be saved! It's going to happen. You wait and see!
