

# Potent Prayers

## Sample Prayers Using Multiple Spiritual Weapons

By Maria

FD/MM/FM 3566 10/05

Dearest Family,

**A**FTER putting together the Lord's counsel for you in "The Art of War, Part 4" about prayer, and how important it is that we learn to wield it skillfully as a weapon, I asked the Lord to give us sample prayers in prophecy for some of the common needs that we have. These are not meant to be default prayers that you read all the time, nor should you feel like your prayers have to sound exactly like these.

**2. You can ask the Lord to give you personal prayers in prophecy, and they will be effective, targeted prayers, but they will probably be different than the ones below, because the Lord loves variety.** Receiving a prayer in prophecy is one very good way to pray effective prayers, but you don't have to do that all the time. When you pray with a desperate, broken heart for the need, the spirit prays through you. Don't worry if your prayers don't sound eloquent and if you don't use every single spiritual weapon in every prayer.

**3. These prayers are simply a good example of how to incorporate more of the spiritual weapons in your prayers,** how to include more fighting and praise and expectancy in your prayers.

**4. We haven't asked the Lord to give prayers on every topic; these are just a few examples of some of the more common needs that we bring before our Husband's throne.** Also, these prayers don't include every spirit helper that could be called on or every key that could be claimed. So if you don't see something included here, please don't think that means you shouldn't call on it or claim it as you feel the need. These are just to give examples of how

to incorporate more spiritual ammo into your prayers, and combine the spiritual weapons we've been given more effectively. I pray that these will be a blessing to you, and that they'll inspire you to want to pack as much as possible into your prayers.

**5. Please don't let the Enemy discourage you, however, and tell you that if you can't pray eloquently and with all the spiritual weapons firing at once, you might as well not bother praying.** Nothing could be further from the truth! If the Enemy tells you that, you can be sure it's only because he's terrified of you, and is trying to get you to stop shooting at him.

**6. Any prayer from your heart is powerful and commands the power of Heaven.**

And the more you pray and the more you focus on your prayers and learn to depend on your prayer life, the more powerful your prayers will automatically grow. You're sharpening your sword through using it. So if you want to get better at wielding your prayer weapon, one sure way is to start using it more, even if you feel clumsy with it at first. Keep firing away, keep swinging, and focus on what you're doing as you use it, and with time you will become very skilled and proficient, experienced in releasing Heaven's power and sending the Enemy running for cover!

With much love in our awesome, amazing, miracle-working Lover,

Mama

**Prayer for healing**

**7. My sweet Love, Jesus, I run into Your arms now and only seek to be embraced by You,** to be cuddled close, nestled in Your care, to love You and be loved by You. I want nothing more than to feel Your soothing touches on my troubled heart and weary body. You are my everything, and being beside You gives me the strength to go on. Loving You and feeling Your love for me gives me faith to hold on, to trust that You are in perfect control of my life and that no matter what I may be going through, no matter how hard this affliction may be, You are caring for me and will see me through. I take hold of the keys of faith and comfort and ask that You fill my heart with peace and reassurance as I turn my eyes and look into Your loving face, my dearest, caring Husband.

**8. I lift up my heart now and praise and thank You for the battles.** I thank You for the weakness I feel, and I thank You for the tests of my faith and endurance this affliction is bringing. I praise You that I am counted worthy to suffer

for Your sake, that You see fit to touch my life in this way so that You might draw me closer to You and give me Your comfort wherewith I can comfort others in times to come.

**9. In these moments when my faith flickers low and I get hit with discouragement or fear, I call on Natalia to help me to wield the weapon of praising You,** believing that despite everything, You will not give me more than I can bear, and that Your healing balm is available to soothe and bring relief in time of need.

**10. Jesus, You have promised in Your Word that all power in Heaven and on Earth is given to us, Your brides who love You and follow You, so I claim Your miracle-working power through the key of health.** I call on the Blue Angels of the keys to open the power sources of Heaven so I can receive all the elixir of healing that I need. You said that the keys of the Kingdom are ours, and we only need to state our request and claim their power in Your name and it will be done. So I come before You with faith in Your promises and ask for Your healing power to touch my life right now. I need You, my faithful Physician.

**11. In Your name and with key power I also bind the evil demon Set** and ask that You send the armies of Heaven to counter his attacks, defeat him, and obliterate his power of sickness.

**12. Please help me to do my part by being obedient to the things You've shown me as far as caring for myself and following the health guidelines You've given,** as well as being tuned in to the spirit help You have given me, because I know that full healing can only come through the path of complete obedience.

**13. I call on the help of Styrian to resist and rebuke the spirit of Lethargy when he tries to get me to be lax** in the physical care of my health or not fighting in the spirit as I should, and to keep me stirred up in every way,

abiding in Your love and filled with thanksgiving for the victories that are soon to come.

**14. I claim all of this through the keys You have given me.** I commit my life and health to You, my most wonderful Protector and Caregiver. I love You. (*End of prayer.*)

**15. Thank You, Lord, for this affliction You have blessed me with.** I know that You are using this in my life to draw me closer to You, to strengthen me spiritually, and to help me to be more of a fighter. I praise You for what You are doing in my life and the lessons You are teaching me. I yield myself to You now. Even though I may not understand every reason why You are allowing this affliction, I praise You for it, because I know that it is accomplishing its purpose in my life.

**16. I want to come to You now, precious Lover, to lie in Your arms and rest in You.** I want to feel Your comforting arms around me and the healing touch of Your fingers as You caress my tired and aching body. I want to kiss Your soft lips and feel the energy flow through me as they tenderly kiss away all the pain and discomfort. I want to be wholly Yours, in body, mind, and spirit as I rest here with You and bask in Your love and comfort and care.

**17. I claim the keys of healing, of relief, of good rest and recuperation.** You said that as we call on the keys of healing, there is nothing in our body that is not subject to their power. I claim that power of healing now, sweet Love, and ask that You deliver me from this affliction. You said that the keys have a magical power that we can claim, and we will be restored. I want some of that magical power now, my Love—that power that can restore and make whole. You said that we can claim full and regenerative health of body, mind and spirit through the power of the keys. I claim that key promise for my healing now, that my health will be regenerated and restored. You said there is no sickness that Your keys cannot aid in healing, and I claim that now, for complete healing.

**18. I rebuke Set and all his minions, and call on the Activation Angel of Miracles to counter the attacks of Set and rid me of this affliction.** I call on Elixor to pour the elixir of Your healing balm upon my body and fight off the attacks of Irrazzmon. I call on Almathor and the brilliance of her light to chase away any darkness of affliction and pain. I ask that You send Dr. Koger to me as a counselor regarding what I can do in the physical to aid my body in healing, to share with me his wisdom in knowing what to eat and drink and how to care for myself. I thank You for all the help I can obtain from these spirit helpers who can aid and assist me as You heal my body and restore my health.

**19. Thank You, sweet Love, that You are the same yesterday, today, and forever.** Your healing is not confined to the time You lived on Earth amongst mortal man, but Your body was broken and scourged for our healing. I claim that healing and I ask that You deliver me from this affliction. You said in Your Word that many are the afflictions of the righteous, but You deliver us out of them all. I claim complete deliverance now from this sickness. You promised that You would give power to the faint, and to them that have no might You would increase strength. I ask You to please strengthen my body so I can have the power and energy to serve You. You said that You would heal all our diseases, and that You would arise with healing in Your wings. You said that You will hear our prayers and see our tears, and that You would heal us. I claim that healing power, that healing touch right now, sweet Love.

**20. Lastly, I understand that sometimes You choose to take us down a different path than we'd choose for ourselves.** If it's Your plan that I keep fighting the good fight against this illness, then I accept Your challenge and will gladly follow the path set before me. You are the great Deliverer and Healer, I believe that, but You are also the great Teacher and Lover,

and if it's Your will that I fight this battle a bit longer, then I praise Your name for all that You will teach me from this time of fighting and of resting in Your arms and learning. Your will be done, my Love, but if possible, remove this cup from me. In Your name I pray. Amen. (*End of prayer.*)

### **Prayer for our former members**

**21. Wonderful Husband and Lover, we thank You for the warmth of Your love, for its purity, for its strength, for how unailing and unconditional it is.** Even though our love for You and others sometimes fails, Your love never fails, it never lets us down. You never stop loving us—ever. How wonderful the reassurance of Your love is! How comforting and satisfying it is to know that Your love for us is always constant and that it will never change. It's so beautiful—truly there is nothing more beautiful in Heaven or on Earth. We can't thank You enough for Your wonderful love, Sweetheart.

**22. Darling, we want to bring before You our dear former members.** We thank You for them. We thank You for the years of service they dedicated to You, for the years they served You and others alongside us. You love them, Lord, and we love them. We pray that You will be with each one, and that You will bless and keep them close to You. Supply their needs both physically and spiritually, and keep them in the palm of Your hand.

**23. We ask that You will keep their connection with You strong and that You will shield them from the attacks and lies of the Enemy.** You said, "Claim the key of spiritual closeness, and I will use the experiences your loved ones go through to draw them nearer to Me." We do claim that, dearest Love. Please bring experiences into their lives that will remind them of You and Your love, things that will draw them to You.

**24. We call on Faithful and her band, and the Angels of Conscience to stay close**

**to each one.** Empower these angels to be able to do their job well, to speak to them, to guide their thoughts, and to keep their hearts turned toward You. Help our former members to be open to them, so that these angels and ministering spirits will be able to remind them of Your love, and our love, and the many good experiences they had while in the Family.

**25. We call on Shadow to stick close to any who are straying or who would benefit from his influence.** Thank You, dear Jesus, for creating these helpers of the spirit who can do the work in the spirit in our loved ones' hearts, who can help to take care of them and nudge them to make the right decisions that will draw them closer to You.

**26. Please help our former members to remain open and receptive to Your Spirit,** and likewise, help them to shun the voice of the Enemy and distance themselves from those who have yielded to the Devil and are now being used as pawns in his fight against us, which is really against You, Jesus.

**27. We rebuke the Vandari, Obtherion, Bitterness, and Raven\* in Your name, dearest Husband.** Repel them in answer to our prayers. You said that although the Vandari spirits seek to lay hold on all available vessels, our full-of-faith prayers—using the keys—can repel them. We believe that, Lord, and we claim it through the power of the keys. We claim that through the power of the keys of imprisonment You will keep any such minions far from our former members.

**28. We activate the key of destiny on their behalf.** We know You have a plan and a specific destiny for each one, and we pray that You will bring it to pass in answer to our prayers.

**29. And lastly, Lord, we'd like to claim the keys of remembrance for each of us so that we won't forget to keep our former members in our prayers.** You said, "Claim the keys of remembrance, and every time your [loved ones]

come to mind, the keys of remembrance will remind you to pray and claim miracles on their behalf.” Help us not to fail them by ceasing to pray for them.

**30. Thank You, Love, for always hearing and answering our prayers.** We thank You that prayer is not the least we can do, but the most. We praise and glorify You in advance for the miracles that will come about in answer to this prayer. We love You, want You, and need You, wonderful Love. *(End of prayer.)*

*(\*Note: More about Raven will be coming out in an upcoming GN soon, Lord willing.)*

### **Prayer for protection in an unavoidable and dangerous situation**

**31. I come before You now not only as a citizen of Your realm or a partaker of Your gifts, but as Your bride.** I’m snuggling close in Your arms. I’m not just doing this because I want something from You, but because I love You too dearly to stay away. As Your bride, You have given me special influence, and I invoke that now, and ask that You stir Yourself and raise Your mighty arm on our behalf.

**32. Your brides are in dire need, and You’ve promised to provide and protect!** I claim this promise now. I want to stand back and see You fight. I want to see You raise a standard against Satan, who seeks to harm us. Nothing can stand in the way of Your power and strength, and I ask that You release it now to defend Your children, Your Family.

**33. The hairy one and his minions love nothing more than to cause havoc and destroy.** I know You won’t stand for it. I know You will deliver. There’s not a doubt in my mind that You won’t take this situation and turn it on its head. Not only will You protect, save, and deliver, but You’ll overwhelm the Enemy so much that this will turn out for our good.

**34. The Enemy can’t wreak havoc when confronted with the keys.** I claim Your key power now. I claim a key craft chock-full of

Heaven’s firepower to stand in the breach and barricade the gap so that the hordes of Hell have no access to even one of Your children.

**35. I rebuke Disruptor, the creator of destruction and confusion.** I ask that You turn his power on himself. Baffle him. Enrage him. Destroy him! Give us wisdom and protection through the help of Vigilance and Prudence\*. We claim the help of the Activation Angel of Miracles if need be, to do outright miracles to protect and keep us safe. We call on Tola and Tor, commanders of key power, to defend us. We call on Michael, captain of Your host, to give us all the spiritual protection and backup that we need.

**36. You’ve given each of us great power through the spiritual weapons we hold in our hands.** So I now don my armor and prepare to do battle in the spirit through my prayers until we see the victory. You’re moving on my behalf, and through my prayers I join the armies You are sending into this battle to defeat the Enemy and all his vile plans.

**37. These keys You’ve given me of protection, of imprisonment, of containment, of miracles, are dangerous to evil, and powerful to protect and deliver Your children.** I gather them up now and I raise them as a standard in the spirit. Their power is surrounding us, and we are safe under the shadow of Your wings, dear Lover. Surround us on every side, dear Love, and we will not be afraid. Let the battle begin! *(End of prayer.)*

*(\*Note: More about Prudence will be coming out in an upcoming GN, Lord willing.)*

### **Prayer for protection and preparation regarding future persecution**

**38. Sweet Love, I praise You for Your careful planning.** I praise You for Your master design that You have for all of us, and I thank You that You have each and every aspect of our lives planned out in every detail. I thank You that nothing can happen to us or harm us that is

not a part of Your plan as long as we faithfully stay within the center of Your will.

**39. We know, dear Husband, that You will allow some things to come into our lives to make us stronger and more useful vessels for You,** to draw us closer to You and to strengthen us for the stormy winds that are to come upon all the world, but that You will never let the Enemy go too far, or allow anything to happen that will harm us or Your work, as long as we are under the shadow of Your wings. You said that as Your bride we can run to You and ask for Your protection and safekeeping, and that as we are faithful to love You intimately, You will be unable to resist our pleas and petitions.

**40. So we now come into Your arms and plead that You will fight those that fight against us!** Protect through Your strong arm those who have given their hearts, lives, bodies and minds fully to You. We are Yours, dear Lover. You are our Protector and Defender, and we are depending on You to bring about Your will in this situation.

**41. We call for the help of Michael the Archangel, our mighty defender, and the armies of Heaven to be released on our behalf** to fight the Enemy and defeat his plans, and delay him as long as possible from bringing any serious persecution against Your brides, Your children. We call for the Wildcats of Heaven to spring into action and scatter the Enemy's forces, disrupt him, and cause destruction and confusion in his camp.

**42. We know that there is no greater power on Earth or in Heaven than the keys, and we call on them and activate them in full faith, knowing that they will work mighty miracles on our behalf.** I call on the key of containment to tie up, bind, restrain and silence those who would wish to harm Your brides. I call on the key of protection, that Your children will be safe from the threats of the Evil One. I call on the key of witness, that through any persecution the Gospel will be preached clearly

and loudly, so much so that the Enemy will regret he ever mounted an attack against us, because all it succeeded in doing was rescuing more souls from his clutches, exposing his lies, and bringing more of Your sheep to a decision for You! Give us boldness and faith and wisdom. Send William Gladstone to help us in defending the faith and having wisdom in our speech.

**43. Help us to be prepared, Jesus.** Help us to be doing our part to get out the meat of the Word, so that when persecution comes, Your sheep know enough to choose rightly.

**44. We know that persecution can be a tool in Your hands to mold and shape us into the vessels You need us to be, so if that is Your plan, dear Jesus, then help us to be made white.** But if it be Your will, give us peace for a bit longer, so that we can get out more of Your message freely. We want to get the job done so that You can come back and set up Your Kingdom on Earth. So if persecution will help us get the job done quicker and better, then bring it on. But if You want to give us more time to prepare the sheep and get out the Word, then please help us to be obedient and follow You closely so that You don't have to allow persecution to chastise us. Help us as we accept Change, as we welcome him into our lives and Homes and work with him to make all of our lives better and closer and more useful to You.

**45. You said, "The keys have the power to bind all the forces of darkness,** and to shine their light and power into the darkest and deepest places so that nothing is hidden before their light, to reveal the plans and counsels of the Enemy and to bring them all to naught." We stand in full faith on this promise, expecting it to work mightily on our behalf.

**46. Thank You, sweet Love, for hearing and answering our every cry.** We love You and thank You in advance for all of the wonderful miracles You will work on our behalf. We trust in You, our Mighty Defender, Warrior King, and Shepherd of Your little lambs. *(End of prayer.)*

**Prayer for protection and witness through persecution, once you're in it**

**47. Jesus, we are under attack by our enemies—our earthly enemies and our enemies of the netherworld.** They are positioning themselves to attack us and try to harm us, but we know that with You, dear Husband, we have nothing to fear. You have delivered Your children throughout all ages, and we know that You can do the same, and even better, for us in this day and age.

**48. You stopped the mouths of the lions so that they wouldn't harm Daniel.** So how much more can You stop our enemies, who are hoping to spew out all of their lies against us? You parted the Red Sea for Moses and the children of Israel, and then drowned the Egyptians who came after them. So how much more can You create a pathway of peace for us today, and drown the plans of those who are on our tail? You calmed the storm for Your disciples. So how much more can You calm the storm of this persecution today?

**49. We know You have the power, dear Love.** We don't for a second doubt Your ability to save, protect, and deliver us. We also know without a shadow of a doubt that You will have Your way with our enemies. You will shut them up in the way You know is best. You will foil their plans according to Your will, and in a way that will have the most perfect results. You have always protected Your children. You have always defended Your little ones. You have always done whatever was necessary in order to enable Your people to do Your will.

**50. Jesus, we're Your people, and we know You're going to take care of us.** We know You have the bird's-eye view of our situation, and You are only going to allow what is within the bounds of Your will, and nothing more. You're going to allow our enemies to do what they need to do in order to fill up their cups of iniquity, but then You're going to put a stop to their wicked plans. You're going to allow the

media to do whatever is within Your will in order to get out the truth, in order to draw the world's attention to us and our radical ways. But You're not going to allow anything that won't be for our good, so we trust You implicitly.

**51. We praise You in advance for the outcome of the days ahead.** We're weak, frail human beings who know nothing compared to You. So even though we've been praying desperately, and even though we probably all have our wishes or ways we'd like to see You work or move or save or deliver, we know that ultimately everything is in Your hands. You're going to do what's best! You're going to allow what You know will work together for good, and You're going to stop anything that would harm us. You have the big picture in mind, and we know that You know exactly what You're doing. While our enemies think they are in control of the situation, we know that You're bigger and better and stronger and cooler than them all, and You're going to have Your way no matter how smart they think they are!

**52. We praise You, Jesus, for the victories we know You're going to bring through this situation.** We thank You for the Victory Squad, which we send forth now through our praises. We want our praises to be turned into powerful spiritual missiles to decimate the Enemy's forces and destroy his strongholds. We want to see every single demon of Hell who is involved in this persecution crushed to smithereens. We want the Victory Squad to completely surround us and all of Your children, so that there's no airspace left for the Enemy's squads. Through our praises, we claim that the Victory Squad will emanate such power that it will hurt and repel the demons and keep them far away.

**53. We send our praises with the Victory Squad.** We command them to take the power of our praises, create bombs of spiritual mass destruction, and use that power against the Enemy. We want our praises to really make a difference! Help our praises to be like an atom

bomb in the spirit, blowing every single demon back to Hell where they belong. We want our praises to make a mess of things for the Enemy and our earthly enemies in the way You know is best. We direct massive amounts of praise power to the Victory Squad as they prepare for battle, and we look forward to seeing the results of our praises.

**54. We call for the help of Armina and the armies of Heaven,** for Joan of Arc and her warrior band, for Michael the Archangel, our defender. Thank You, wonderful Jesus, for these powerful armies and experienced leaders who can charge into battle on our behalf, and accomplish so much as we empower them through our prayers.

**55. We praise You for the power of the keys,** the keys of protection, safety, witness, victory, and miracles, which we call on and ask that You activate on our behalf.

**56. We know that so many wonderful things are happening in the spirit world at this very second.** We know that our strong and powerful spirit helpers are defeating demons at every turn, and wreaking havoc in the spirit world. We know the Enemy is terrified, and he's scrambling to find a way to win this battle. But we also know that all of his attempts are futile, and will result in more victories for us and our heavenly helpers. Even the Enemy's best strategies and plans are no match for Your power and the intelligence of Heaven, which we put our trust in and depend on.

**57. So here's to our victory, which we celebrate in advance!** Thank You, Jesus, that what You have promised, we know You will perform. We might not see all the answers right away, but we know without a doubt that in the spirit world it will be clearer than ever who the victors are—and it sure won't be the Enemy or any of his foul players. We praise You that we know before the battle what the results will be, and we don't have to fear or worry.

**58. So there you have it, Satan! You've lost this battle already, so you might as well quit.** Stop trying to figure out your last-minute plans. It's a waste of time to try and patch up your plans to hurt and harm the Family, because you don't stand a chance anyway. The harder you try, the harder you'll fall, and all of your little devils with you. You know that God, Jesus, and all of the angels of Heaven are more powerful than you are. You even know that we earthlings, with the spiritual power vested in us, are able to defeat you. So you might as well quit, because you're already defeated!

**59. But if you don't quit, we're going to keep fighting you!** We're going to keep socking it to you in the spirit. We're going to continue to send the legions of Heaven to overcome you and your underlings. We're going to keep praising, and thus empowering the Victory Squad. We're going to keep moving forward, rolling right over you and your puny forces with the massive and indestructible tanks of the spirit. We're going to keep praising no matter what happens, and that's just going to send you limping away in defeat, screaming like a little baby, because you have no power that can even come close to the power of praise.

**60. We're fighting in prayer!** We're fighting with our weapon of praise! We're on the attack and will not be defeated! So tremble and fear, Satan—and tell all of your imps to do the same—because you're about to be defeated big time. The Victory Squad is on their way, along with legions of other angels and spirit warriors. You're going to regret the day you thought up this persecution plan. It's going to be a disaster for you, a disaster for your kingdom, and a losing situation all the way around. No matter what things might end up looking like in the earthly realm, we know you're going to sustain serious damage in the spirit.

**61. You don't stand a chance!** You're already defeated! So we praise our wonderful Husband Who has delivered, Who doth deliver,

and Who will yet deliver us from your hands! Victory is ours, for His glory! Hallelujah! (*End of prayer.*)

**62. Jesus, You said that You have the biggest and strongest feet in the universe, and will trample and squash every demon who rises against us.** So run with all Your power and might and destroy the demons Raven and the Vandari. Smash them under Your feet. Trample them into the ground!

**63. You sent Your kings and warriors of old to destroy their enemies with a vengeance. We ask that You do likewise now.** Raise Your mighty arm with Your powerful sword in hand and bring it down upon the necks of our enemies in the netherworld. They want our blood, just as they wanted Your blood, Jesus. So send the keys of destruction to spill the blood of every demon upon the ground.

**64. They hate us; they hate You, Jesus, the God of Love, their Creator and Benefactor.** They curse Your name, the One Who has given them everything. So curse them, dear Love! Destroy the demons' lying lips, and silence those on Earth who are being used by them. They want the Family to be destroyed—Your precious Family that is helping to bring sheep into Your fold—so do whatever it takes to stop them, Jesus.

**65. We rebuke Raven and his evil, foul spirit.** Stop him from having any further influence over the minds of our enemies. Use the Devil's own pride against himself and his demons. Discredit our detractors and earthly enemies in the eyes of their peers, in their own eyes, and in the eyes of the world. You can do whatever it takes, Jesus! We wield the keys of destiny and ask that our enemies' destiny be fulfilled—that they will repent and turn back to You, or that You will work in their lives in the way You know best.

**66. Send Your fighting angels and awesome spirit beings to do whatever it takes to**

**bring Your enemies' plans to naught.** Intervene, mighty Jesus! Send Your spirit warriors to do their best, to flex all of their supernatural power to stop every single agent who is hell-bent on hurting the Family. Your spirit warriors are mighty in power, and they were created to fight for us. So send them now in a great attacking onslaught against Raven and the Vandari, and any other demons.

**67. "The Vandari are in fear and trembling of the keys.** All you have to do is reach your hand in your pocket and rattle the keys and they will start to tremble and shake. The keys have all power over them, and as you concentrate your key power on your children, the Vandari will flee." Rattle, rattle! You demons, do you hear that sound? That sound is your destruction. Flee for your life before our mighty God squashes you with His terrifying feet and nails your skinny carcasses to the wall!

**68. Our prayers are increased an hundredfold through the power of the keys.** We ask for one hundredfold victory for You and the Family concerning this persecution as a result of the tremendous supernatural power of the keys. We ask for one hundredfold defeat for the Devil. We expect one hundredfold intervention in circumstances and conditions that will cause his failures at every turn.

**69. These are Your promises, Jesus, and we hold on to them and claim great victory for You.** Like Your warriors of old, we scream in our Enemy's face, "We will take over the world for our King!" "We are mighty in spirit, because we fight with the heart and mind and spirit of God! You can never win against God."

**70. Jesus, use this persecution and the victories You will win as a warning to all of Your enemies** that they should beware of ever trying to fight us again, because they are fighting against You. (*End of prayer.*)

## General prayer for our children

**71. Thank You, precious Lover and wonderful Guide, for the children that You've blessed us with.** Among all in the world, You've chosen us to care for and raise these children in Your admonition. Thank You that they have lives that are full of excitement and blessing, and that You shower them with Your love each day.

**72. Thank You for Frederick and Freya who help us and whom we can call on for our children's needs.** We claim the keys for our children's needs (*list needs here*), and we know that we will see change, improvement, and miracles on their behalf.

**73. We know that nothing is too hard for You, sweet Love, and we can call on Your help to keep away all harm, hindrance, sickness, or anything else that the Enemy would try to hit our children with.** We command, in Your name and on the strength of Your promises to us, that no force of Satan will be able to touch even one hair of our children's heads! Thank You for Your protection of their hearts, spirits, minds and bodies, so that we can rest in peace, knowing that You are in full control of their lives.

**74. We call on Watchdog and Haven, who are some of our children's heavenly protectors and caregivers, to be present and watchful, and to alert us to anything we should be aware of.** Please help us, Jesus, to be on guard, to be prayerful, to do anything You show us in order to keep our children safe. Help us not to grow lax in their care or safety, but to do our part, knowing that then we can trust in You to do the rest.

**75. Thank You for love—love that covers all sins, love that will help us to carry on even when times are tough or our children are going through a time of difficulty.** Thank You that You can give us patience to help them through, to teach them, to bring them along step by step to grow into the men and women that You want them to be. (*End of prayer.*)

## 76. Thank You for our precious children.

They are one of the greatest gifts that You could give us, a sign of Your never-ending love and a way that You can show us how You feel for us, by giving us children of our own to care for. Thank You that our children can draw us closer to You, because we can see that without You, we can do nothing and be nothing, but that with Your help and guidance, we can do the big job of molding these precious lives that You've placed in our care.

**77. Our children are a great gift from You.** Please help us to do all we can to invest in these gifts wisely so that upon Your return, we will not be found wanting, but we will have done what we could and You can say, "Well done."

**78. Please bless our children with Your Spirit.** Cover them with Your love and help them to grow closer to You each day. Thank You that they each have their guardian angel, conscience angel, prayer and praise angel, and more spirit helpers to help them and to aid us in their care. Please help us to work with their spirit helpers and to follow their checks.

**79. We claim the keys** of love, of wisdom, of vigilance, of teamworking and unity, of anointing, to give us what we need for this awesome task of training these little disciples for You.

**80. We know that with You by our side, we can do anything.** Thank You for the privilege of upholding our children in prayer. Thank You that You will answer our requests, because we know that even though we love our children more than we can express, You love them even more and they are very important to You, so You will care for Your Own.

**81. We love You, Jesus. Thank You for taking care of our little ones and supplying their every need,** whether spiritual, physical, or otherwise. We need You, Jesus. (*End of prayer.*)

**82. Precious Lover, I want to thank You for the children You've given us.** Thank You for being the perfect Father to them. You're so good to us and You provide and care for each of Your children as if they were Your Own. We don't ever have to worry about them, because You've promised to care for and love and keep and protect them in every way. Thank You for Your promises to us. And most of all, Sweetheart, thank You for entrusting them to our care. We consider it an honor and a privilege to care for these little ones.

**83. Jesus, You promised that "When we call on the power of the keys for our children's needs, our prayers will be powerful.** Angelic helpers will be sent, and we will see change, improvement, and even miracles." Thank You for this promise. We're so thankful that all we have to do is wield the awesome power of the keys and You will come through for us.

**84. We don't want to fail You in any way by not doing our best in caring for these little ones You've entrusted to our care.** We know that calling on the assistance we need from our spirit helpers will enable us to do an even better job. So we ask that You will send the spirit helpers we and they need at this moment (*call on spirit helpers who specifically help you or your children*). We pray that they will help us and give us the wisdom, love, patience and insight that we need in taking care of and raising our children.

**85. We rebuke and bind the powers of Satan and his minions who would like to come in and harm the children** in any way they can—physically, emotionally, or spiritually. We call on the keys to lift a standard against these demons. We know that they would like to hinder and stop our children from becoming what You have destined them to be. Help us to be aware of the Enemy's tactics and to be militant in fighting and driving him as far away from our children as possible.

**86. Please help us to be faithful in training our children.** Help us to be the good samples

that they need of solid, sold-out disciples who love You, Your Words, and the sheep. We call on the keys of faithfulness, diligence, love, patience, and understanding. These children are the future. Help us to realize this and treat them as such.

**87. Help us to work closely with You and our spirit helpers, because this is the only way we can ensure that we'll be doing our best for our children.** Give us the vision we need, dear Love, and in the times that we grow tired or discouraged, help us to keep our eyes focused on that vision and not get weary in well-doing, for You have promised that we will reap if we faint not. Send Elysian with his looking glass that will help us to see our children as You've promised they can become, which will help us have the faith and vision we need.

**88. Thank You for Your promises that we can stand on.** We love You so much! (*End of prayer.*)

### **Prayer for witnessing**

**89. Jesus, my wonderful Husband, I love You so much!** I'm so thankful that I can love You and be loved by You, that You are there for me any time I need You, and that I have the honor and privilege to be called Your bride. I love how You love me and fill my life with wonder and beauty and love. You're wonderful beyond description, and Your blessings are too numerous to count. I praise and adore You for Your beauty, Your love, and my heart overflows with gratefulness for Your goodness.

**90. I want everyone in the whole world to know how wonderful You are and to have the opportunity to know You and love You like I do.** It's the most wonderful thing in the world, and I will do my best to give everyone I meet, interact with, and minister to the chance to start down the path of knowing You and loving You, so that they can be as secure and happy as I am.

**91. I love to remember Your promise that You "love me with an everlasting love" and that You "will never leave me nor forsake**

**me.”** Help me, dear Love, to have the strength, the power, the conviction, and the boldness to proclaim the beauties of those wonderful truths and teach others Your wonderful Words.

**92. I call on the keys of witness, which will enable me to preach Your Word with boldness.** I claim Holy Spirit power so that, like Peter and the disciples spoke boldly with no fear on the day of Pentecost, so Your Words will flow through me. I claim the keys of faith and boldness to empower my words, to make them Your Words, so that people will know and sense that I have been with You, and so that they will feel Your Spirit, that You will touch them through me.

**93. I want You to fully possess me and take over my mind so that I can see things in the spirit the way You do.** I claim the help of the Activation Angel of Witnessing so that I can have insight into each heart and know what to say, what to share, how to behave, how to present Your love and message to them in the way that You know they need.

**94. Jesus, I am furious with Satan and with his legions who are trying to steal men’s souls and drive them to destruction and to spiritual and even physical death.** I am ready to go out and do battle in the spirit to overcome and defeat him, to rout his plans and to bring back the spoils of war—souls won, saved from his clutches.

**95. I call on San-bahd-mahl, the warrior of the witnesser, and on the band of warriors that he commands.** Send them with us as we go out today to witness and minister to those who are trapped in the Enemy’s darkness. Make him and his forces mighty in spirit, so that they may defeat and destroy the dark legions of demons of the netherworld who are aggressively trying to defeat Your plan and take souls away from Your love and light and truth.

**96. By Your grace, with the power of Your keys, and the power of Your heavenly fighting forces, we go forward now to conquer in**

**Your name,** to preach the Gospel, to loose those who are bound, to heal the brokenhearted, to comfort those who mourn. We go forth to give the good tidings of truth to those who need it so desperately. We go forth to share the priceless treasure of Your Word, to wield it as a weapon that will cut away the chains of the world and the System that have them bound. We go forth to bring back souls for Your Kingdom, more brides who will love You and be loved by You, and who will rejoice with us for all eternity in Your marvelous love and light. *(End of prayer.)*

**97. Precious Love, thank You for the sacrifices that You made for us in coming to Earth so many years ago to live and die for us.** Thank You for the love that You continue to pour out to us. Thank You for how You continue to show us the answers to our problems and how You help us to have a wonderful life for You.

**98. Thank You that we can in turn spread the message of Your good news to others.** Thank You for the opportunity to reach the world with Your love, so that the lost and needy can receive the same knowledge of love and forgiveness that You have given to us. Thank You for being our Husband and for anointing us to give Your never-ending love to the lost and lonely of the world, so that they can come to know You and become Your brides as well.

**99. Jesus, I call on the keys of witness and testimony.** I claim Your anointing through the power of the keys to help me be the witness that You want me to be. Give me the keys of boldness and courage so that I can proclaim Your message to those who need to hear it. Give me the keys of wisdom to know what to say and how to say it. Give me the keys of discernment so that I speak the right things to the right people, and that I don’t waste too much time on those who are unreceptive and closed to Your message. Most of all, give me Your love. I call on the key of passion to give

me a heart like Yours. Fill me with so much of Your love that it overflows and pours out onto all those I come in contact with. Help me to be a vessel of Your love. I don't want to be anything of myself; I only want You to shine through.

**100. Help me to be sure to stay in close contact with You, my Lord, my Guide, my Counselor, my Coach, and my Lover.** Please help me to be sure to listen to Your voice and to Your whispers, as well as those of my spirit helpers. I don't want to do anything without Your leading, dear Love, so I claim Your help in this way.

**101. I call on the Activation Angel of Witnessing to go before me today and prepare the hearts of those who I will come in contact with.** Give me a clear channel and connection with him, so that I can benefit from his discernment and insight into the hearts and minds of those I will be in contact with. I claim the power of San-bahd-mahl and call on his warriors to come with me today and thwart the attacks of the Enemy, who I know will try to hinder this time of witnessing and getting out Your message. I call on Michael and the Chiefs to defeat the Evil One and to keep the Devil and his forces far away during this time of witnessing and winning souls to Your Kingdom.

**102. In particular I want to pray against Pan and Lethargy, the Vandari, and the demon of Rejection, all of whom work to bind and hold back the hearts of men.** I claim Your key power against their power, both for myself and also for those who I will come in contact with and share Your Words with today. Bind these evil spirits of the Enemy, and any others who may seek to hinder or harm me or Your work. Cast them out, send them away, or bind them on the bottom of the ocean where they won't be able to hinder and cause trouble to Your work.

**103. I also call on a heavenly key craft to come with me today,** and that the power that

You have given these crafts will protect and envelop me with Your Spirit.

**104. Thank You for all these gifts that You have given to us, my Love.** Thank You for the spirit that You surround us with. I thank You in advance for how You are going to do it today. I love You! (*End of prayer.*)

### **Prayer for supply**

**105. Precious Jesus, we're so thankful and grateful for this opportunity to come into Your presence and ask for the things that we need.** It makes us so happy to know that we have a King and Husband Who delights to answer each prayer and to fulfill each request. Thank You for not being a stingy giver, or for only begrudgingly giving us our basic necessities, but for continually filling our cups to overflowing with Your bountiful blessings and answers to prayer.

**106. We acknowledge the countless times You have come through for us in the area of supplying our needs and giving us what we need to get Your work done.** We thank You for continually and faithfully standing by Your promise of supplying all our needs according to Your riches in glory. We know You have a lot of riches, and You've sure done a lot of supplying over the years, and we acknowledge those many, many miracles and thank You for each of them.

**107. You've come through for us countless times,** and we know for sure that the only reason we're still here—with not just our basic needs, but such abundance and plenty—is because of Your faithfulness in caring for us. We praise You wholeheartedly for that. No one else is like You, Jesus; no one else is such a faithful, caring Husband to His brides. We adore You, sweetest Love, and we are so happy to have a strong, caring Husband like You looking out for our needs.

**108. And now we need to come before You again to ask You to open the windows of Your heavenly supply to us and pour down**

**the things that we're asking for.** We're coming before You boldly because we know You delight in giving, and because You've given us the keys of the Kingdom, which You have promised can open any door of supply and provision to us. So we've come to Your presence carrying the keys of supply, provision, and crazy faith, and we trust that these keys will loose the locks and open the floodgates of Your heavenly provision.

**109. For the good of Your work and the glory of Your Kingdom, we're asking specifically for** (*list your specific requests here*).

**110. We're standing on Your promises, new and old, that have promised full and complete provision of anything that we have need of.** Specifically we're claiming this promise from Your Word (*claim a verse*) and this key promise that says (*claim a key promise*) and we're going to hold You to Your word, this unbreakable contract that we have full and complete trust in.

**111. We know You're going to come through for us, and we thank You for it!** We can thank You already for the supply of (*state again your specific requests*), because we've brought them before You and we know that Your promises are better than all the money in all the banks in the world. We know You're going to do it. Thank You, precious Husband, for Your bountiful supply and the tender, loving care that You continually lavish upon us. We're of all people most richly blessed.

**112. So now, while we are waiting for the fulfillment of Your promises and the delivery of our requests, we want to pray for spirit helpers of faith that will help us not to lose the vision and doubt Your supply.** We want to call on that great man of faith, George Mueller, to help inspire us with the crazy faith to believe that You're going to come through for us no matter what situations look like. We pray that You'll send him to us to help us to have the kind of faith and desperation in prayer that will get results.

**113. We also want to rebuke the evil spirit Apotheon and any of his underlings.** We resist him in the power of the keys and in the name of Jesus. We cast him out of our Home and far away from our minds. We refuse to give him any place in our hearts or lives to sit on us, push us down, cover our eyes, or make us doubt and settle for less than Your best. We don't want his counterfeits. We want You and Your real thing, so we're closing our minds to him and raising a guard through the power of Your Spirit. We also rebuke Aknon, who tries to make us fear to ask for donations. Give us boldness and faith in our asking, knowing that You love to supply for us, and You love to do it through precious people whom we can then minister to and really help!

**114. We thank You for giving us Arcothon, who can help us in our battles against Apotheon.** Please give Arcothon more of Your white-hot power that he can channel into our lives. Help him make each of us fighters. Fill us with Your Spirit that will repel and blast away any doubts or lack of faith. We know that Your spirit help is so much stronger, and as we do our part, we are counting the battle won.

**115. Also, Jesus, we want You to punch through with any counsel or guidance that You want to give us about anything else we need to work on in our lives,** anything to do or anything to make right so that we can be pleasing to You, obedient, and fully open to Your hand of blessing. Please show us anything You want to show us so that we can receive all that You have to give.

**116. Thank You for being our doting Husband Who is so much more willing to give than we are to receive.** We know we could never earn the great care, love, and protection that You give us so unconditionally. It's such a marvel, such a gift, and we receive it humbly and praise You loudly and sincerely for it. (*End of prayer.*)

# Prayer Primers

By Maria

FD/MM/FM 3567 9/05

Dear Family,

**I love you so much, and daily intercede in prayer for you.** Praying is such an important part of our lives, and I'm happy to be able to publish this precious batch of jewels from our Husband on the topic of intercessory prayer, as well as some encouragement from the Lord about our times of hearing from Him in prophecy.

**2. This Letter is compiled from some of the messages that our WS Homes have received for our prayer days over the last couple of years.** These messages explain what our prayers accomplish and how to make them as effective as possible, and are great primers for prayer vigils, times of prayer and prophecy, or prayer days. There are also a few messages that talk about the great worth and importance of our time spent pulling down our Husband's answers, since that is also often a part of times of prayer, prayer days, etc.

**3. This is not a Letter you have to read together as a Home for devotions, although I'm sure you'll find the messages feeding and inspiring, and you're welcome to use them however you'd like.** One of the main reasons we're putting them together for you is so that you'll have them available for use on prayer days, or before other prayer meetings or prayer vigils as a means to prime the pump, focus, and get your "prayer muscles" warmed up. They're excellent reminders of the dynamics and effectiveness of prayer and what is being accomplished when you pray.

**4. There's variety throughout, and you'll also find wisdom, instruction, and plenty of motivation to stir things up and make the most of your prayers.** We have a great responsibility as prayer warriors to intercede for the many situations we're aware of, and in these

days of increased workloads, Jesus is asking us to work and to use our time more efficiently, as well as showing us just how to do that.

**5. I pray these messages will be a blessing to you in your times of intercession,** and that they'll get you into gear and stir up that fighting spirit in you, as well as help you to focus and target your prayers in a way that fully releases Heaven's power to bring about our Husband's will on Earth.

With love in our mighty Answer Man,  
Mama

## Don't let up!

**6. (Jesus:) As you sing and shout My praise for answering your prayers, remember that this is nothing compared to what is to come, My loves, if you keep the power flowing.** Keep it up, dear brides! You're just getting started in exercising your key power. Keep stirring yourselves up. Keep calling on the keys. Keep saying the words. Keep the current flowing. This is the secret to constant victory, to constant supply, to continual success: Keep the power flowing!

**7. Every time your Enemy attempts to get you down or cause you to doubt the worth of your prayers;** when he tries to seduce you into letting your guard down, into being lackadaisical; when he tries to blur your vision and obstruct your view of your main job, that's the time to turn up the power. Interceding in prayer is the most important thing you can do. Call on the keys. Shout it out. Make your declaration known. Let everyone hear. Don't hold back.

**8. There's nothing too small for Me to give My attention to concerning you, My loves!** There's nothing too great for Me to solve for you, nothing too grand for Me to supply,

nothing too impossible for Me to remedy! I am constantly waiting, ready to grant each request.

**9. I lay My all at your feet—all that is Mine is yours for the asking.** You're just beginning to get warmed up. Keep at it. Keep expecting more. Keep exercising your key power. Keep the current flowing.

**10. Don't limit yourselves.** Call on the keys at all hours, not only when you feel the greatest need. Call on them all the time, for everything! Use these keys to the full. Call on them often, activate them all. Keep the power running through your veins. Keep the power on all the time and the repercussions will be seen by all.

**11. As you continually activate the keys, I will keep the force fields activated around you,** around every person you pray for, around every situation, around every need you request. I will keep them well supplied with the live energy of My Spirit, and I will answer your prayers.

**12. You must keep the power flowing.** This is how you gain ground, this is how you advance, this is how you assure your success—keep calling on the keys for everything, big or small. Thank you for being willing to be My generators, powerhouses of My key power. When you're strong in the power of the keys, I will do anything for you! Keep it up, My loves, keep the power flowing.

### **P&P time: behind the scenes**

**13. (*Jesus:*) I wish to reveal to you what happens in Heaven every time you gather for these special days of prayer.** There is excitement in the air, a buzz, a rush, a thrill of untold expectancy as each member of the heavenly host takes their place. Angels and archangels, the departed, wise men and women of old, prophets and prophetesses who have gone before you, spirit beings and spirit creatures, and Me—we all take our posts.

**14. Everyone prepares to answer your prayers, to meet every need, and to deliver to you keys that unlock doors,** that give solutions to problems, insight to situations, and wisdom and guidance as we prepare the messages you solicit. All the heavens wait, as with bated breath, anticipating your desires, your wishes, your prayers.

**15. And I cannot emphasize to you enough how much these times mean to Me personally.** Each time you stop to unite in prayer, to intercede for one another and for those in need, to come before Me with specific questions; when you stop and put all else aside so that you can suck, listen, and pull down My Words for others and for yourselves—you have no idea what this does for Me, My loves. Those times are the thrill of My life. They are never boring, routine, or ordinary to Me. I never, ever take these times lightly or as mere duty or run of the mill.

**16. These times you call “P&P” are exhilarating personal moments for Me—times which I eagerly await and deeply enjoy.** They are among My greatest joys! When you come to Me like this, My dears, I derive immense joy from pouring into you, speaking to you, instructing you, and guiding you. When you come to Me with your questions, when you look to Me for answers, when you come to Me for the solutions to your problems, when you get quiet before Me—this turns My key. When you come just to listen, even when you don't know what to ask or have no inkling of what I might say, yet you look to Me and seek to hear My words, to know My mind on a matter, to learn My will and My desire for your lives—this thrills My soul. It opens the door for us to be one, and being one with you, My loves, is the purpose of My existence.

**17. Thank you for stopping to take these times of P&P, for it is through these sessions that we grow together and meld as one.** How I anticipate your times of P&P! How I joy in

them! I take great pleasure in these moments. Thank you for stopping, for coming to Me, for getting quiet, for opening the door, for beckoning My Spirit to come. Thank you for preparing to receive My seeds! The more you ask, the more you will receive. The more you desire, the more I will pour out to you. The more you suck, the more we will be one. This is what turns Me on; this is what I love.

### **Expect great things**

**18. (Jesus:) When Moses raised his arms in prayer to Me at the banks of the Red Sea, I stretched out My hand and parted the waters,** and I held them at bay until the last of My children were safely on the other side. When the shepherd boy David loaded his sling and, looking up to Me, whispered a prayer, I guided his stone and brought down the giant Goliath. When Elijah sent up an intercessory prayer and asked for rain, I sent the showers in great abundance. Likewise, at Zarephath, when he cried unto Me, asking for the soul of the widow's son, I returned life to the boy's motionless body.

**19. When Shadrach, Meshach, and Abednego cried out to Me as they entered the scorching furnace, I descended and walked with them in the midst of the fire, and the flame did not harm them.** When the prophet Isaiah petitioned Me on behalf of Hezekiah, asking for a sign of his healing, I turned back the time and answered his prayer. When Jonah cried out to Me in his plight, I answered and placed him upon dry ground.

**20. How much more will I do for you, My loves, in these days of mighty miracles?** Let this encourage your faith, for in these days of action, here I stand, ready, willing, and waiting to perform even greater things on your behalf.

**21. Do you see? Can you grasp it? Will you claim it?** What great power I put within reach of your frail human hands! There's nothing like it. It cannot be duplicated. No one can

steal it away from you. It will never be lost. It is never misplaced. Such great, awesome, and magnificent power! It can only be released at the sound of your prayers. It is only delivered unto you at the touch of your faith. So it is, My loves, that your desperate, full-of-faith prayers can radically alter any situation or heart, and supply any need.

**22. Fear not to put Me to the test. Call unto Me. Declare your faith and remind Me of My promises.** How it pleases Me when you display your knowledge of My Word. Claim it! Call down the power! Intensify! Pray passionately! Pour out strong emotion to Me in your prayers. Get excited! Expect Me to work, and stand back and see Me do what you cannot do for yourself. Pray extreme prayers and you'll get extreme answers!

**23. As you unite this day, wield your power, My loves.** For I am here, ready and willing and waiting to answer every prayer. Let this be your confidence; ask anything in My Name and I will do it.

### **Making the link**

**24. (Jesus:) You hold the power of the Spirit of God in your hands, and nothing can limit the power of the Spirit of God!**—That is, except failure to use the power. You, My loves, hold the most important thing to the whole process of prayer in your human hands: the ability to make the connection. You are the links. You are the ones who must make the connection. Without your participation, it won't work. I am the Almighty, all-powerful and all-knowing, yet I depend on you to make the connection. Everything is dependent on you, My brides. Everything hinges on your prayers.

**25. When it comes to prayer, you hold Me in your hands.** I can do anything, but I am committed to working through you. Nothing can limit My power but you. The future is in your hands. You make the difference. You must

make the hookup. You must link My power to those in need. You are the connectors.

**26. This is why the Enemy so viciously fights your prayers from the very start.** If he can distract, sidetrack, divert, and delay, if he can get your focus on something other than the important prayer needs at hand, he'll do that. Anything he can get away with, he will do, for he knows once you have done your part and the connection is made, there is no limit to My power, no limit to what I can do for you. Once you hook Me up with the need, I'm in, and there's no stopping place. I can and will do anything for you—and for those that you support in prayer.

**27. So you see, your opponent will always fight hardest in the very beginning.** He fights your petitions at ground zero. He knows you are vital to the process, and without your prayers, things don't move like I need them to. Without your prayers, My power is limited. In a sense, you have control over My power, because as I said, I have committed Myself to work through you. Your prayers move My hand. Satan is painfully aware of this fact, and thus he targets every prayer from the start.

**28. It's prayer he fears the most, because he knows your prayers command My action.** So he'll turn up the heat on you, My prayer warriors, for he knows your prayers for the battles at hand are essential. This is why you must not fail to pray! I know this responsibility is great and weighs heavily upon your shoulders. And that is why I, the supplier of all your needs, have sent you extra help from this side to assist you in your most important duty—that of praying.

**29. The Miracle Warriors are at your beck and call to specifically assist you in your prayers during this time of war.** As Satan sees that his days are numbered, these extra reinforcements are necessary, for the battles are hot and the Evil One's attempts to prevent your prayers will continue to intensify.

Remember, the only thing that can limit My power is failure to pray. For this reason I send you reinforcements from this side of the veil, My loves. Hell's angels don't want to only delay the answers to prayer, but they want to stop you from praying those prayers to begin with.

**30. Call on the Miracle Warriors when you set out to pray, and they will help you to make the connection.** They are strong and fearless, bold and brave. They will help guard and protect your thoughts as you pray. They will assist you in making a strong connection. They will run interference for you by warding off static that Satan stirs up to divert your prayers. Bond with them, My loves. Call on them, and call on the power of the keys, and they will help strengthen your prayers.

**31. Stand tall and strong, lean on these helpers and claim the keys as you go into battle,** and there will be no limit to what I will do for you.

### **Elements of prayer**

**32. (Jesus:) There are countless ways to pray, My loves.** But as this Endtime war progresses, there are specific elements that, if incorporated into your prayers, will help you to aim them more accurately, and consequently you'll get better results.

**33. Following is the formula—a basis for your prayers.** Include these points as you pray and your prayers will have greater effect. You don't have to put every single one of these points into every single prayer you pray, nor is this put forth in order of importance or the order you must use, but the more you can include these various points in your prayers, the more effective your prayers will be.

**34. Here are some of the main elements to incorporate into your prayers:**

**1) Praise and thankfulness.** It's always good to start out with praise, but don't be shy about incorporating more praise and thankful-

ness throughout, and at the end of your prayers as well, as My Spirit leads.

**2) Address Me intimately. Claim your rights as My bride and lover,** and let your prayer be a testimony of our intimate love and devotion and close relationship.

**3) The keys.** Release the power of the keys by calling on them. Call on specific keys for specific results. (For example, “the key of healing,” “the key of imprisonment,” etc.)

**4) Promises from My Word, both old and new.** Claim them. This includes key promises, Bible verses, and promises I have given you in specific prophecy pertaining to the situation.

**5) Call on helpers.** Call on them by name; make use of their talents and areas of expertise to help you fight in spirit.

**6) Rebuke hinderers.** Call out and rebuke them by name.

**7) Put yourself in the place of those you are praying for, if and when applicable.** You can do this by either focusing on those you are praying for in your mind’s eye as you pray, or you can make reference to them in your prayer by vocalizing what they’re going through. For example, you can say, “Please touch and heal Simon. We know it must be extremely difficult to focus and concentrate on his work with such sore eyes and a throbbing headache. We call on the keys of speedy relief...”

**8) Full possession.** Let My Spirit pray through you and make intercession for you; pray in tongues sometime during your prayer.

**35. Don’t worry about remembering to incorporate all of these elements into your prayers at once.** As you go slow and do what you can to remember and include them all as often as possible, I will help you to form a habit. And once you get the hang of it, it will become a part of you, and you will wonder how you ever prayed otherwise. You will know that your prayers are packing a greater punch, and you’ll likewise see tangible results!

**36. Thank you, dear loves, for rising to the occasion**—for your willingness and obedience to stay on the cutting edge of the dynamics of the spirit and for making your prayers more effective through following these steps.

### **Our duty and power as prayer warriors and key bearers**

**37. (Jesus:) For your praise, prayer, and prophecy time today, think power!** The power of your praise will bring you into My presence, where the power of your prayers will result in a tremendous surge of power as the keys rush to your assistance.

**38. Today I want to give you further insight into the key power that is yours to command.** The dynamics of the spirit world are this: There are many forces at work simultaneously in the spiritual realm. Some work in unison, some are in conflict—engaged in the great battles that rage on this side of the veil. No one force is fully independent in that it does not affect the others in some way.

**39. Through the power of the keys, I have given you, My brides, the means to dominate all forces at work in My spiritual realm, according to My will.** This is My power, and the power is always on, but all those who have access to My power must do their part to tap into the power and keep it flowing out to fulfill its purpose. I do My part to keep the power in motion, My spirit helpers do their part, and you must do your part to keep the dynamics of the spiritual realm moving forward. You must keep the keys active at all times.

**40. As key bearers, this responsibility rests partly on your shoulders.** You are part of the team responsible to keep the forces of the spiritual realm in motion, active, changing, and progressing at all times.

**41. Do not be tempted to think this is too great a responsibility, My loves, for the end result is far beyond what you can conceive with mortal minds.** I knew what I was doing

when I entrusted you with the power of the keys. I am counting on you. By right of possessing the keys of the Kingdom, you actively join forces with Me; you become part of My heavenly task force. I have called you friends and lovers, and also comrades in arms. This is our quest—to free those held in bondage by the dark forces, and I trust you to do your part to this end.

**42. David taught you that prayer is powerful; that when you pray, things will happen and things will be different.** So it is when you activate the keys—things happen, things change, things are different. When you call on the keys for one purpose, things shift and change not only for the one person or situation you prayed for, but many other things are also influenced for good as a result of your activating the power of the keys.

**43. Things in the spiritual realm interact, so when the keys take action, it always has a ripple effect and works to fulfill My purpose.** When you wield the weapons of praise, prayer, and the keys, the forces of the spirit world are set in motion. When you call on the keys and use them in conjunction with My will, a chain reaction kicks in.

**44. You hold the most powerful force in all existence in your hands.** This force is not meant to be still; you must keep it active. There is no standing still in this war. You are either going forward or backward. If you don't use the keys as I have ordained them to be used, then you can lose ground. There is stagnation and regression, both in the spiritual realm and in the physical.

**45. By right of possessing the keys of the Kingdom, you become part of the dynamics of the spirit world.** You possess the power to keep things stirred up and moving in the spirit. Principalities and powers are subject to your command. You hold the power in your hands, and if you fail to activate the keys, then there is lack.

**46. Satan's forces are busy at work.** But how they work, how much or how little they are able to accomplish, and how successful or unsuccessful their efforts are hinges on the force and energy you release through the power of the keys.

**47. This is the responsibility that rests on your shoulders, My children of David.** If you do not wield the keys as I want you to, if you fail to do your part in keeping the power of the keys flowing, you not only forfeit power and give your enemy advantage over you, but you are responsible for slowing down the dynamics of My Spirit.

**48. The fact that you are key bearers makes you responsible.** The keys are not ornaments to be admired and set on a pedestal only so they can be appreciated for their beauty, but not have their power activated. The keys are to be kept in use. These are the dynamics of My Spirit: You must not let the keys lie dormant. You must use the keys or you will fall behind. There is no standing still for those who bear the keys of the Kingdom.

**49. You have done well in practicing with your use of the keys.** But let this knowledge be an added incentive to step up the pace in your training with the keys. Let these prayer days serve as a platform to join in a concentrated effort to effect change through the spiritual realm, to direct forces, and to reach deep into both realms—physical and spiritual—and make a difference through the power of the keys.

### **Reach out!**

**50. (Jesus:) Launch an initiative by praying powerful prayers now—for yourselves and your Family.** And when you find extra moments here and there throughout the day, use them wisely by continuing to pray for those in need. Go to your ongoing prayer list and claim the keys for the many situations that need prayer. This time invested in intercessory prayer will not be wasted; you'll be helping others.

**51. Reach out now and help as many as you can. You can do it through your prayers, which can go places you'll never go.** Your prayers can free the most bound, touch the hardest hearts, bring supply to the needy, heal the deepest pain, open doors, enlighten minds, clear the fog, dissipate bitterness, mend broken hearts, solve problems, encourage, heal, soothe, make happy, build vision, bring relief, stay the hand of your enemies, relieve stress and pressure, fortify the weak, give understanding, make wise the simple, change the weather, pay the bills, and give aid.—To name only a few of the many functions your prayers perform!

**52. Discover what else your prayers can do today by putting them to the test.** Ask Me what else they can do by calling on the keys of discovery and spiritual awareness, and I'll show you things you never knew before.

**53. This is the greatest duty you'll ever have—to pray.** And faithfulness to this duty will also bring the greatest blessings you will ever have, for My rewards match the duties I give you. Thank you, dear loves, for your faithfulness to this great responsibility. I know I can count on you. That is why I ask you to pray.

### **Incentive to keep praying**

**54. (Jesus:) My loves, if ever you feel a yearning for adventure and excitement,** if you want to break out into wide open spaces where you can experience things, where you can be movers and shakers, and where you can really accomplish something, all you have to do is pick up your weapon of prayer.

**55. There are no boundaries to prayer's dominion.** Prayer makes all things accessible to you. Nothing lies beyond the reach of prayer. I have promised that you will do greater works than I did. These greater works begin in prayer. They will come about through prayer.

**56. Prayer reaches from one extreme of your life to the other, and covers everything**

**in between.** Whatever concerns you, concerns Me. If something is big enough to occupy your thoughts and time, it's big enough to pray about.

**57. If you want to know and see great things, call on Me.** This is My solid promise: Call on Me and I will show you great and mighty things. You want adventure? Keep getting in the prayer groove! Keep moving along into the greater works era by committing your burdens to Me in prayer, and I'll take you places you've never been. I'll show you things you've never fathomed. I'll do anything for you.

**58. Remember the fail-safe formula: "If you ask anything in My Name, I will do it" (John 14:14).** You ask, I do—it's as simple as that. Keep asking, and I'll keep doing. Keep asking and you'll do greater works than I ever did while I walked on Earth. Ask and you will receive. Ask, and there'll be no boxing you in, no stopping you, no limits, nothing beyond your reach.

### **Get rockin'!**

**59. (Dad:) You've got to get in gear this morning, folks, and you do that by getting stirred up!** Stir up and gear up! God's Word often mentions the need to stir yourselves. You find many examples in the Bible where people had to get stirred up. God's people were stirred up by the Holy Spirit to do the things the Lord wanted them to do, and the Devil's people were often stirred up too. Satan himself stirred up the crowds to shout, "Crucify Him!" and that got action.

**60. The Devil's people get stirred up plenty to cause God's people trouble, and this ought to be incentive enough for you all to get stirred up with Holy Spirit key power and slam-dunk the Devil!** When I was with you in the flesh, I had no qualms about getting fired up and lighting a fire under you too. I gave you talk after talk about the need to get on fire. I'd tell you, "If you'll just get on fire for God,

the world will come out to see you burn!” And I’ll tell you now, there’s no more worthy time to get stirred up and on fire than when it’s time to pray!

**61. I’d rather have wildfire than no fire—and this certainly applies to your prayer life.** You can’t very well wield the power of God if you aren’t stirred up, revved up, roused, on the attack, and ready for a good fight. You’ve got the most powerful force in the entire universe in your hands. That’s motivating power, folks! Even so, sometimes you have to work a little bit at getting in gear. That’s what sports teams do—they get in gear. A good coach will do what he can to light a fire under his team—get everybody psyched up to go out and give it all they’ve got.

**62. That’s what the military does—the army, the air force, the navy—all of’m.** They have some pretty powerful weapons, but the powerful weapons alone are not enough to win the war. Someone, or a lot of someones, have to be stirred up enough to use’m. They’ve got to get in gear, get inspired, and get worked up enough so they can go out and put those weapons to proper use in attacking the Enemy.

**63. Thank God you’re fighting for a righteous cause—the most important cause there is!** But you’ve got to constantly remind yourselves that if the Devil’s people get stirred up to work for him, that means you’ve got to get more stirred up and stay more on the attack and more inspired, so as to stay ahead of them. It takes work, it takes conscious effort. You’re going to have to fight to stay stirred up until your graduation day—that’s the life of a disciple.

**64. Fight the good fight of faith! (1Tim.6:12).** What do you think of when you hear this? What kind of picture comes to your mind? Fight the good fight of faith! All this talk in the Word about fighting and weapons and the spiritual warfare. Let me ask you, what do you do to get in gear to fight? What turns your

key to get you stirred up to fight the Devil?

**65. What do you think of when you think of fighting?** Well, some of you might think in terms of some of the fighting movies you’ve seen. Maybe you picture yourself leaping through the air, performing a mixture of acrobatics and martial arts moves. Or you might picture yourself as the Gladiator or Braveheart, or Aragorn, Legolas, and their crowd.

**66. If that helps you to get stirred up to fight the Devil, then so be it!** If applying these concepts of action and fighting to the spiritual warfare helps you to get stirred up to fight the Devil and his demons, then go for it. I’m for doing whatever is necessary to get you stirred up and fightin’ mad at the Devil, and really going on the attack in prayer. Whatever it takes, do it! Just be sure to always ask the Lord first. Ask Him what to focus on, so you can stir yourselves up in the right spirit.

**67. I want each of you to do something for me right now.** Take a few minutes to stop and pray—each one of you individually—and ask the Lord to give you something you can really focus on that will help you to get stirred up to fight the Devil. Maybe it’ll be something you can focus on or picture in your mind—a picture of a loved one who is fighting illness or who’s discouraged; or a picture of the lost, wandering aimlessly in the world, buffeted by the System and its evils. Maybe it’ll be a picture of the Lord—His piercing eyes looking deeply into yours as if He’s saying, “Will you fight for My cause?”

**68. Or maybe the Lord will give you a glimpse of the spiritual warfare that is taking place right now.** I’ll tell you, just one tiny glimpse, one little peek at the warfare that is going on beyond the veil this very moment, and you’ll get stirred! Or maybe He’ll show you to focus on the key craft and their awesome power, or on one of your powerful spirit helpers.

**69. Everyone take a few moments to get quiet, close your eyes, and ask the Lord**

**to give you something to focus on in your mind—a picture or a vision.** Or if you don't see pictures easily, that's all right, but ask the Lord for something—a few personal words, a few sentences, or even a sound bite, something to help you to focus and to get stirred up for fighting in prayer now.

**70. Every time you get down to brass tacks in prayer, as you should be doing every prayer day, it's time to get stirred up.** So ask the Lord for ways to do that. Ask Him for something that will prompt you to get on fire and take action. Provoke one another. Get excited, get stirred, and go to it!

**71. And here's a new take on my grandfather's well-known quote: "If you'll get on fire for God, the world will come out to see you burn!"** I want to edit this some to now say, "Let's get on fire and watch the Devil burn!" Set fire to his dirty deeds through your prayers. Throw a key-powered fireball at him and defeat his works of darkness. You've got to be vicious when it comes to fighting the Enemy. Defeat his strategies by getting stirred up. Turn your keys into swords and cut him to the heart. You've got to get stirred up for every single prayer, because every time you pray you're to defeat evil.

**72. There's so much to pray for today, many battles to fight, people who need help, situations that need attention, evil that needs crushing.** So get on fire and let's watch the Devil's dirty deeds burn up, and send his demons back to Hell where they belong! Defeat his evil! Call on the keys of motivation, fight, and empowerment and make him burn, folks!

**73. I love to fight, and I love to see you fight.** The souls you are winning and every goal on your prayer list is worth attaining! So stir up and gear up and defeat the Evil One's puny power and efforts through the power of the keys. Use the keys and unlock the power that will bring swift and sure victory! Praise the Lord!

## **A battle cry!**

**74. (Jesus:) My precious knights and ladies of battle, hear ye the word of your King!** There are souls to be won! There are dragons to slay! There are demons to rout! There is mighty victory to be had today! Are you ready to ride into the Foe's territory and rescue the lost and dying from his clutches!? Will you ride with Me?

**75. (Knights and ladies raise a rallying cry:) We will ride with our King!**

**76. (Jesus:) Today we will launch a prayer attack that will send the demons reeling and screaming!** Before it is high noon, we will be in the midst of the camp of our enemies, dispatching those who didn't have time to flee. We will carry the hairy scalps of our foes on our belts. No dragon of the dungeon of demons will escape My supernatural vision. Your prayers will find every skulking devil. My feet will squash the necks of every imp who dares to interfere with My plans. Are you armed with the keys and ready to wield them!?

**77. (Knights and ladies raise their voices:) We will charge with the weapon of the keys!**

**78. (Jesus:) We will slaughter Beelzebub! We will castrate Apotheon!** We will massacre the Vandari with the undefeatable weapon of praise! They think they are more powerful, but you, My knights and ladies of prayer, carry the only weapons that cannot be defeated.

**79. We will storm the gates of Hell and drag out every devil-demon—Pan, Bacchus, the Selvegion, Lethargy, the Vandari, Obstacon, the spirits of pride, the spirits of death, Set, and many more.** All will have to obey and kneel before Me and you, My chosen representatives, in the power of My Name.

**80. And what will you do with these minions of Hell?** Will you spare a single hair or compromise a single conviction? Or will you train your weapons on them and obliterate them with the firepower of God?

**81. (*Knights and ladies:*) We will torch them! We will fry them! No demons will be spared!**

**82. (*Jesus:*) Use your spiritual weapons wisely, My loves.** Keep them at your side at all times. The keys will not fail to give you the anointing you need. Your spirit helpers will enhance your abilities. Your praises will split the veil to the heavenlies and send you legions of spirit warriors to fight by your side. The prayers you pray today will weaken the Enemy's forces and will open the fortress gates to free his captives, to destroy the evil dragons, and to rescue his victims.

**83. Rely on My power, and I will possess you fully.** Stay in close communication with Me every step of the way, and I will lead you to victory. Your prayers will be as poison arrows that will stop the heart of the Enemy, but as purifying ointment to heal the sick, and as water to the thirsty souls.

**84. The messages I will give through your channels today will be as an oasis in the desert,** as freedom to the captives, as the wisdom of the sages, because they will be the pure voice of God.

**85. Who can stand against the armies of Heaven when I lead them into battle!?** We will persevere, endure, and triumph!

**86. (*Knights and ladies:*) We will triumph!**

### **Prayer power keys**

**87.** Release the keys of fighting prayer, and I will work on your behalf to do what you

cannot do. Every mountain will melt away and nothing will be impossible to you.

**88.** As you claim the power of the keys in prayer and in supplication, you will find the answers and the strength you need to carry on.

**89.** When you call on the keys of power, every prayer will become reality, and miracles will transpire before your eyes.

**90.** The keys of prayer link you directly to Me. The keys of heavenly thought power link Me directly with you. While you call on the keys, our two-way communication cannot be broken. I hear you loud and clear, and I will never fail to answer every call.

**91.** Take hold of the keys of supplication and I will stir you by My Spirit and move you to intercede effectively for others.

**92.** The keys of yieldedness and spiritual communication will keep you tuned to Me. They open up a channel that allows Me to bring things to your mind, direct your thoughts, and give you checks about those who are in desperate need.

**93.** Call on the channeling keys and they will prepare your heart, mind, and spirit to receive counsel, insight, revelations, stories, and answers to every question you ask.

**94.** Claim the power of the keys to keep you strong in the spirit of prayer, and I will do anything for you!

**95.** The keys of full possession make you one with Me and give you the confidence of knowing you can command Me to do anything and I will answer. I will not fail; I will come through.
